

The Right Stuff 2025

Premium Range

The wine

Cultivar: 100% Sauvignon Blanc

Cellaring Potential: 10 years

Wine of Origin: Stellenbosch

An amphora wine made from 100% Old Vine

Sauvignon blanc, sourced from a bush vine block planted in 1988.

Winemaking

The grapes were handpicked in two passes to ensure optimal phenolic and chemical ripeness. This wine was destemmed, crushed and underwent overnight skin contact before being pressed. The wine was then transferred to Amphora and French oak barrels and underwent fermentation using natural yeast. The wines were matured for 12 months prior to blending and bottling.

The tasting experience

Pale yellow. Fresh and expressive litchi and gooseberry aromas are carried through by tropical and stone fruits on the palate complexed by a rich minerality that leaves you longing for more to savour.

Serving & Pairing

Pairs well with lemon butter cod, chicken piccata and alfredo pasta.
